Win Transfers So You Can Print Your Own T-shirt

Calling all kids! Color this page and create a t-shirt design that makes you happy! Once your design is complete, ask an adult to post a photo of your drawing on Facebook or Instagram and tell us what makes you happy. Tag us on Facebook using [@StahlsTransferExpress](#), or on Instagram [@TransferExpress](#) or [@StahlsHeatPrinting](#). Be sure to use [#tshirtsmakepeoplehappy](#) on your post so we see it! Enter as many times as you'd like by April 23rd. On April 24th, we will choose a winning design. The WINNER gets their design printed as 10 heat transfers for an adult to help heat press onto t-shirts for you and your family!
